

IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF CALIFORNIA

TAMARA A. AMBROSE,

No. C 10-00234 WHA

Plaintiff,

v.

**ORDER ON STIPULATED  
REQUEST FOR EXTENSION OF  
BRIEFING SCHEDULE**

MICHAEL J. ASTRUE, Commissioner,  
Social Security Administration,

Defendant.

The undersigned has reviewed the parties' stipulation seeking additional time for plaintiff to file her summary judgment motion in this social security appeal. The reasons underlying the request, however, do not warrant any extension, let alone the 30-day extension requested. Specifically, the fact that counsel have taken on too much work and have other cases that "require briefing prior to this date" is not a legitimate reason to extend court-ordered deadlines. Since the motion deadline is imminent, however, the undersigned will grant plaintiff until **JUNE 28, 2010**, to file the summary judgment motion. No further extensions will be granted.

**IT IS SO ORDERED.**

Dated: June 14, 2010.
